PSYCH RECOVERY SENIOR SERVICES

Psych Recovery Inc.'s Senior Service program is designed to treat older adults, with the best evidence based practices.

Specifically, we treat depression, adjustment, dementia, grief and loss, anxiety, serious and persistent mental illness and other mental health challenges.

Our staff is highly trained and experienced to best meet the needs of seniors.

Mental health professionals provide the specialized care and treatment.

Services Offered

- *Psychiatry*
- *Psychotherapy*
- *Psychosocial Evaluations*
- *Medication Management*
- *Family and Facility Consultation*
- *Caregiver support and education*
- *Community networking and resource assistance and referral*
- *Behavior Management*

OnSite Care

Senior Services provides on site care at contracted independent housing, assisted living and skilled nursing facilities.

This service provides mental health services onsite, eliminating the need to receive services at outpatient clinic.

If you reside in one of the aforementioned living situations please check with your facility to arrange for our services.
